

Federal Tax Credit Instructions

To claim the federal solar tax credit, you will need to fill out form 5695.

[Download Form and Instructions from IRS here](#)

Follow these instructions to help guide you through the linked forms.

1

Line 1: This is where you put the total cost of your system, found on your contract. (Definitive Energy customers will have a carbon copy of their contract).

2

Fill in line 5 and 6. Line 6: This is the number sent in your email listed as "Your Federal Tax Credit".

3

If you have other residential energy credits that apply, now is the time to fill them in.

4

Only fill in line 16 if your tax liability does not allow you to use the entire credit this year and some will roll over to the following year.

5

File this form with your federal taxes.
